Risk Profile of the Scheme	<p>Mutual Fund Units involve investment risks, including the possible loss of principal. Please read SID carefully for details on risk factors before investment. Scheme specific risk factors are summarized below:</p> <p>Risks associated with investing in equity and equity related securities</p> <ul style="list-style-type: none"> Equity instruments carry both company specific and market risks and hence no assurance of returns can be made in respect of these investments. Equity and equity related securities are prone to daily price fluctuations and the liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly due to unforeseen circumstances. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. Likewise, the inability to sell securities held in the Scheme's portfolio could result, at times, in potential losses to the scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio. Also, the value of the Scheme's investments may be affected by fluctuations in interest rates, currency exchange rates, changes in laws/policies of the government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors. <p>Mid cap stocks may be more volatile & less liquid than large cap companies. Investors therefore, should assume that illiquidity risks are higher in this Scheme than in a normally diversified equity fund. Thus, relative to larger, more liquid stocks, investing in mid cap stocks involves potentially greater volatility and risk.</p> <p>Risks associated with transaction in Units through Stock Exchange mechanism: Allotment and/or redemption of Units through NSE or BSE or any other recognized stock exchange on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing, settlement, etc., upon which the Scheme has no control. Moreover, transactions conducted through the stock exchange mechanism will be governed by the operating guidelines and directives issued by the relevant recognized stock exchange.</p> <p>Please refer Scheme Information Document (SID) for risk associated with investing in REITs and InvITs, securitized debt and Foreign securities.</p>																
Risk Mitigation / Management Strategy	<p>Investments in equity and equity related securities carry various risks such as inability to sell securities, trading volumes and settlement periods, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification and hedging. Further, the portfolio of a Scheme will be constructed in accordance with the investment restrictions specified under the SEBI (Mutual Funds) Regulations, which would help in mitigating certain risks relating to investments in securities market.</p> <p>Investment in debt securities carries various risks such as inability to sell securities, trading volumes and settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification.</p>																
Plans & Options	<p>The Scheme has the following Plans: (i) Plan A - Plan A is meant for investors who route their investments through distributors only. (ii) Plan B (Direct) - Plan B (Direct) is meant for direct investments, i.e. for investors who purchase/subscribe to the units of the Scheme directly with the Fund, and is not available for investors who route their investments through a Distributor.</p> <p>Both Plans will have a common portfolio, but Plan B (Direct) will have a lower expense ratio on account of absence of brokerage and commission. Hence both Plans will have distinct NAVs.</p> <p>The details of Options / Sub-Options (available under each Plan) are as under: (a) Growth Option (Default) (b) Dividend Option - Payout Sub-Option and Reinvestment sub-Option (Default). If the Dividend under the Payout Option of the Scheme is less than or equal to ₹ 200, it will, by default, be reinvested under the Reinvestment sub-option.</p>

The Scheme will invest in equity and equity related instruments of medium and small enterprises of Indian corporates with high management credentials. Special focus will be given to strong corporate governance. Approach to investments would be to invest in long term compounding stories at reasonable price. Long-term horizon enables the portfolio to ride the economic/business cycle and to overlook volatility in short term due to external factors. Portfolio construction would entail top down approach towards deciding sector weights benchmarked against the index. Global and domestic economic, fiscal, forex, commodity and various other parameters will be evaluated. Thereafter, the direction of both global and domestic economy will be ascertained along with its impact on various sectors. Bottom up approach is used for identifying companies within the sector. We actively follow GARP strategy (Growth At Reasonable Price) where companies with a potential of above sector growth, improving efficiency and lower valuations are identified and evaluated for investment. Companies trading at a discount to their intrinsic value and have potential to turn around along with the cycle or because of its internal strength are considered to be value picks. Various fundamental and valuation parameters are considered in terms of revenue, assets and efficiency for identifying sectors and scrips which involves sales growth, Earnings Before Interest, Taxes, Depreciation and Amortization (EBITDA) margin, Profit After Tax (PAT) margin, Price to Earnings (PE) ratio, Price to Book (PB) ratio, EV/EBITDA, Dividend Discount Model (DDM), economic value added, etc. Since this portfolio predominantly invests in mid cap stocks, the companies are likely to have a higher growth element due to their small size and potential for higher product penetration, increasing efficiency and improvement in cash flows. <p>Please refer to the SID for detailed investment strategy.</p>

Investors (being individuals) applying for Micro SIP registrations are exempt from mandatory requirement of PAN submission. Such set of customers, however, need to complete the necessary KYC requirements, and get a unique reference number from the KRA's system called PAN Exempt KYC Reference No. (PEKRN).

INSTRUCTIONS FOR FILLING UP THE APPLICATION FORM (CONTD.)

A copy of the KRA issuance letter containing PEKRN should be attached with each application/ transaction.

- In the event of any Application Form being subsequently rejected for mismatch of applicant's PAN details with the details on the website of the Income Tax Department, the investment transaction will be cancelled and the amount may be redeemed at the applicable NAV, subject to levy of exit load, if any. Please contact any of the Investor Service Centres / Registrar / Distributors or visit our website, www.barodapioneer.in, for further details.

2. KYC :

- To simplify KYC norms and make them more investor friendly and uniform across all intermediaries registered with SEBI, SEBI has recently laid down certain changes in the KYC process. The primary objective behind this is to eliminate duplication of KYC across intermediaries in the securities market. For this purpose, KYC registration is being centralized through KYC Registration Agencies ("KRA") registered with SEBI. Thus, each investor has to undergo a uniform KYC process only once in the securities market and the details would be shared with other intermediaries by the KRAs. CDSL Ventures Ltd. ("CVL"), who was retained by mutual funds for centralized registration and record keeping of KYC records, has obtained SEBI registration as a KRA. Further, SEBI has mandated an In Person Verification ("IPV") of clients to be carried out as part of KYC. IPV shall be a one-time process, and once it is carried out by an intermediary, may be relied upon by other intermediaries also. For mutual funds, IPV may be carried out by the AMC or by the Registrar, or by Know Your Distributor ("KYD") compliant distributors who hold valid certifications issued by the National Institute of Securities Market ("NISM") Association of Mutual Funds in India ("AMFI") for their own clients or by Scheduled Commercial Banks (SCB).

- Under the new uniform KYC norms, the following shall be applicable for investing in the Scheme under this KIM :

- For New Investors who are not KYC compliant under the erstwhile or new KYC norms:
 - KYC Application Form to be used, which is attached along with the application.
 - IPV/ Document verification to be done by the Registrar/AMC/KYD compliant distributors/SCBs.
 - Acknowledgement to be issued to the investor to facilitate subsequent investments from the investor.
 - KYC application and necessary documents should either come along with a financial transaction or when the account is opened. This is in line with demat and bank account opening process.
 - For New Investors who have already done their KYC with any other SEBI registered intermediary under the new KYC norms: a. Such KYC compliant investors would not be required to do KYC again.
 - For Existing Investors in the MF Industry: They will not be required to do KYC again.
- Investors who have completed their Centralised KYC (CKYC) and have obtained KYC Identification Number (KIN) from the Central KYC Records Registry (CKYCR), may quote their KIN while investing.
 - KYC compliance with a KRA and enclosing the KYC Acknowledgement along with the Application Form are mandatory for all investors, including individuals, non-individuals, NRIs and channel investors, irrespective of the amount of application/value of transaction. Applicants applying for units through a PoA must ensure that the KYC Acknowledgement of both the issuer of the PoA and the holder of the PoA are enclosed along with the Application Form. The KYC Acknowledgement referred above will be issued by the KRA when an investor submits to the KRA, a KYC application and the prescribed documents. This KYC Acknowledgement is issued by the KRA as a token of having verified the identity and address of the investor(s) and for efficient retrieval of records.
 - KYC status will be validated with the records of the KRA before allotting units. The Fund/AMC will not be held responsible and /or liable for rejection of KYC Form by the KRA. Where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Registrar/AMC/Trustee shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non-compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and effect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to levy of exit load, if any. In case of an investor applying for CKYC effective February 1, 2017, if there is a mismatch in the name appearing in the CKYC application form and the one mentioned in the Proof of Identity (POI) document, CERSAI will reject the CKYC application. Investors are, therefore, advised to ensure that their names appearing in the CKYC application form and in the POI document are same.
 - Please note that you need to comply with the KYC requirements by submitting requisite documents to the Registrar/AMC/Fund or any SEBI registered KRA and attaching the KYC Acknowledgement with the Application Form. For more information, please log on to www.cvlindia.com / www.amfiindia.com, before investing.

Applications are liable to be rejected if KYC requirements are not complied with by all the applicants, and if KYC acknowledgement is not enclosed with the Application Form.

Please note that KYC applicability norms for various investor categories may change anytime in future. Hence, with a view to avoiding rejections, investors are requested to apprise themselves about KYC applicability before submitting their transactions.

 - Plan A** is meant for investors who route their investments through distributors only (please note that all investors of the Schemes as on December 31, 2012 are, from January 01, 2013, regarded as investors of Plan A).
 - Plan B (Direct)** is meant for direct investments, i.e. for investors who purchase/subscribe to the units of the Scheme directly with the Fund, and is not available for investors who route their investments through a Distributor. Both Plans will have a common portfolio, but Plan B (Direct) will have a lower expense on account of absence of brokerage and commission. Hence both plans will have distinct NAVs. Also, the Options / Sub-Options presently offered under each Scheme, i.e. under Plan A, will also be available for subscription under Plan B (Direct).

VII. NOMINATION :

- Nomination is mandatory where the mode of holding is single.** Hence, Application Forms for sole applicants, without nomination, are liable to be rejected. Nomination can be made only by individuals applying for/holding units on their own behalf singly. Even those investors who do not wish to nominate must sign separately confirming their intention to not nominate. Where the mode of holding is joint, nomination is not mandatory; however a separate declaration indicating the wish not to nominate shall be given.
- Nomination shall not be permitted if the investment is on behalf of a minor. However, minors can be nominated and in that event, the name, address & signature of the guardian of the minor nominee(s) shall be provided by the applicant.
- The Nominee shall not be a trust, society, body corporate, partnerships firm, member of Hindu Undivided Family or a Power of Attorney holder. A nonresident Indian can be a nominee, subject to the policy of exchange control for the time being in force.

In case of multiple nominees, the percentage of the allocation/share should be in whole numbers (without any decimals), making a total of 100%. In the event of the applicants not indicating the percentage of allocation/share for each of the nominees, the AMC, by invoking the default option, will settle the claim equally amongst all the nominees.

XI. COMPLIANCE UNDER FOREIGN ACCOUNT TAX COMPLIANCE ACT (FATCA) :

As mentioned by SEBI in its circular no. CIR/MIRSD/2/2014 dated Aug 26, 2015, India and the United States of America ("USA") have signed an agreement on July 9, 2015, on the terms of an Inter-Governmental Agreement ("IGA") to implement Foreign Accounts Tax Compliance Act ("FATCA"). Further, the Organization of Economic Development ("OECD") along with G-20 countries has released a 'Standard for Automatic Exchange of Financial Account Information in Tax Matters' commonly known as Common Reporting Standard ("CRS"). India is signatory to the Multilateral Competent Authority Agreement ("MCAA") for the purposes of CRS.

The AMC / Mutual Fund is classified as "Foreign Financial Institution" under the FATCA provisions. The intention of FATCA is that the details of U.S. investors holding assets outside the U.S. will be reported by financial institutions to the United States Internal Revenue Service (IRS), as a safeguard against U.S. tax evasion. As a result of FATCA, and to discourage non-U.S. financial institutions from staying outside this regime, financial institutions that do not enter and comply with the regime will be subject to a 30% withholding tax with respect to certain U.S. source income. Under the FATCA regime, this withholding tax applies to payments that constitute interest, dividends and other types of income from the US sources. The AMC/Mutual Fund would be required to collect relevant information(s) from the investors towards FATCA / CRS compliance and report information on the holdings or investment to the relevant authorities as per the stipulated timelines.

Details under FATCA & CRS: The Central Board of Direct Taxes has notified Rules 114F to 114H, as part of the Income-tax Rules, 1962, which Rules require Indian financial institutions such as Investment Entities to seek additional personal, tax and beneficial owner information and certain certifications and documentation from all our account holders. In relevant cases, information will have to be reported to tax authorities / appointed agencies. Towards compliance, we may also be required to provide information to any institutions such as withholding agents for the purpose of ensuring appropriate withholding from the account or any proceeds in relation thereto.

Should there be any change in any information provided by you, please ensure you advise us promptly, i.e., within 30 days.

Please note that you may receive more than one request for information if you have multiple relationships with Baroda Pioneer Mutual Fund or its group entities. Therefore, it is important that you respond to our request, even if you believe you have already supplied any previously requested information.

If you have any questions about your tax residency, please contact your tax advisor. If you are a US citizen or resident or green card holder, please include United States in the foreign country information field along with your US Tax Identification Number.

*It is mandatory to supply a TIN or functional equivalent if the country in which you are tax resident issues such identifiers. If no TIN is yet available or has not yet been issued, please provide an explanation and attach this to the form.
